

# LIVE WEST COAST

Adera is one of BC's leading multi-disciplinary real estate organizations with nearly 50 years of experience. We've built a world-class portfolio that includes the development of more than 10,000 homes and over 4 million square feet of commercial space. Achieving awards and recognition locally, nationally and internationally as a leader in design, sustainability and innovation, we take pride in our teams and trade partners, continually pursuing excellence and leadership in all that we do.

## CONSTRUCTION SAFETY OFFICER CAREER OPPORTUNITY

At Adera we take pride in our communities and how they are built. We are seeking a **diligent** individual who enjoys working cooperatively with our site teams and trade partners to ensure safety practices and procedures are in place and adhered to. This role requires a **proactive** and **conscientious** individual capable of engaging people and embracing technology to deliver the very best of our **LIVE WEST COAST** philosophy.

### Key areas of responsibility require you to:

- Develop, maintain and enforce policies to ensure compliance with WorkSafeBC and other standards and reduce risk of accidents
- Maintain site safety ensuring potential hazards are promptly identified and addressed, all site visitors are properly oriented and training programs are in place and rules are clearly posted and accessible
- Ensure accurate record keeping and documentation around statutory requirements and corporate policies
- Maintain a trusted point of contact for employee and trade concerns and in the event of incident ensure reporting and minimization of future risk are given top priority
- Perform training, site orientations and emergency response drills as appropriate
- General site labour as required

### Qualifications:

- Strong understanding of industry best practices and regulatory requirements in construction site safety and accident prevention
- Must have minimum OFA Level 2, prior site experience and or certification with a recognized industry association considered an asset
- Tech savvy with ability to work independently and to be self-motivated while contributing to the success of the team
- High standards of accuracy and attention to detail, ensuring confidentiality and professionalism are maintained at all times

please send your resume to [careers@aderacom](mailto:careers@aderacom)

We thank all candidates for their submissions, however, only those selected for interview will be contacted.  
All submissions will be kept on file confidentially with our Human Resources department for a minimum of six months.
